Dear MLK Families,

On behalf of the staff at Martin Luther King Elementary School, we are happy to welcome you to the 2020-2021 school year! We are looking forward to a productive school year. As you know, all instruction will be virtual and support from families is essential. We ask that you guide and support your scholar's learning by ensuring that he/she:

- 1) Attends Virtual school daily, logging in on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily (30 minutes) to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject

Our first day of school will be September 8, 2020. The children must be signed into their devices and ready for learning by 8:15am. Please remember that you can contact the teachers and administrators if you are in need of help.
